

MARBREY FURGERSON AND N. J. WILBORN

Arrested in Nortonville Dynamiting Case in Which One Man Was Killed.

CHARGED WITH WILFUL MURDER

As the result of the dynamiting of a negro residence at Nortonville two weeks ago, in which Will Cathron was instantly killed and Will Perdue and Jas. Williams were badly injured, indictments were returned late last Thursday afternoon against Marbrey Ferguson and N. J. Wilborn, both of Nortonville, charging them with wilful murder. The men were arrested Friday morning by Deputy Sheriff Lacey and Logan and are now in the county jail. Motion for bail will be heard before Judge Gordon next Saturday, Oct. 23.

Another indictment was returned against the men, charging the wilful exploding of dynamite under a dwelling house and a third indictment against Wilborn charges assault and battery.

Following the arrest of the men, and while the officers were on the way to the depot at Nortonville, Marshal Woodard was met. Without a word Wilborn struck the officer in the face, cutting a gash under the eye.

Judge Gordon stated that a special term of court would probably be called for Monday, November 1st for the purpose of trying the men.

Whenever you need a General Tonic, take Dr. Thomas' Eclectic Tonic. The Old Standard is equally valuable as a General Tonic because it contains well known tonic properties of Iron and Quinine. It acts on the Liver, Stomach and out Malaria, Enriches the Blood, Builds up the Whole System. 50c.

Itinerary Cards

Enterprising merchants along the Dixie Bee Line route from Henderson to Madisonville, a distance of 46 miles, by way of Dixon, have gotten out an itinerary card, one side for the trip south and the other north, giving the route in great detail. Every cross road is pointed out, every church, schoolhouse or rough piece of road is set down and the traveler can refer to his pedometer and tell where he is every mile of the route. At the towns the traveler is told where to do his trading, the cards being paid for by the advertisers and presented free to all travelers. Good idea to adopt in this county. PROSECUTING ATTORNEY RINGO

Balks at 500 Fatherless Kids of "Possum Hunters"

Hartford, Ky., Oct. 18.—The special term of circuit court for the trying of nearly 100 possum hunters adjourned this morning without having tried any of the alleged offenders. The developments of yesterday when Eliza Allen, Oscar Taylor and Estill Fulkerson were sentenced on their pleas of guilty, demonstrated that if all who had been indicted could be proven guilty it would result in nearly 100 men being sent to the penitentiary. As this would result in leaving as many wives and 400 or 500 fatherless children, many believe that Prosecuting Attorney Ringo simply balked at the appalling prospect. The fact also appears that the possum hunting business is completely broken up here, that all the men are thoroughly penitent and are ready to make promises with tears in their eyes as the three convicted men did yesterday.

Nearly all the men charged are professed Socialists. They have been regular readers of the two principal sheets in the West devoted to socialism.

Farmers, mechanics, railroaders, laborers, rely on Dr. Thomas' Eclectic Oil. Fine for cuts, burns, bruises. Should be kept in every home. 50c and 75c.

Farewell Slumber Party at the Home of Miss Crenshaw

Miss Hattie Polk Crenshaw entertained a number of her friends at her home on Robinson street, Thursday night with a slumber party to compliment the Misses Grayce Martin, Florelle Wright and Sarah Featherston, who are leaving soon to make their home in Evansville. The early evening was spent in amusements, furnished by the charming hostess followed by refreshments of delicious kinds. The young people had a very delightful evening despite the fact that it was tinged with a sadness for the parting soon to be.

When Baby Has The Croup

When a mother is awakened in the night by her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere.

Accidentally Killed
Omer Menser, about 31 years of age, well known young farmer living near Dawson Springs, was instantly killed Sunday morning when he jumped from his buggy, the fall resulting in his neck being broken. Mr. Menser was on his way to Dawson Springs, driving a young horse, and just as he was entering the city his horse became frightened and started to running and kicking.

My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. Obtainable everywhere.

The Colds of Mankind Cured by Pines

Have you ever gone through a typical pine forest when you had a cold? What a vigorous impulse it sent! How you opened wide your lungs to take in those invigorating and mysterious qualities. To Drive Out Malaria and Build Up The System
Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every bottle. A tasteless form. Quinine and Iron. Out malaria, the Quinine drives the system. 50 cents

The CURSE of wealth is that it destroys the spirit of service. The man who does nothing because he is too comfortable is no better than the man who does nothing because he can beg or smoke his pipe on the bench by the poorhouse door. Both are leeches. They are not serving. They are being served. When you lose sight of the duty of serving you invite at once spiritual microbes of the most destructive character to come and breed in you.—Dr. Crane.

GET IT IN EARLINGTON

Spend your money in Earlington, and stand by your own home town. No town can be prosperous in which the citizens depend upon each other, do not patronize each other. The time is now here when it behooves every man, and woman in the town to do all their trading in Earlington. The merchants of this city have everything you need and at prices as low as can be found elsewhere. Suppose there are some few things you can get in the nearby towns for a few cents less, when you count the expense of railroad fare, express or parcels post the price is equalized and then your money is sent out of town where it is absolutely of no benefit to the community. Why help build up some other town and let your own go to ruin, why send your money out of Earlington to keep up streets and pay current expenses of some other town when these same merchants never spend a dollar in your town. Who is it comes to your home when some of your loved ones are ill and you are in trouble? Is it the out-of-town merchant? Who helps keep up your schools and churches and other public institutions? Do the out-of-town merchants ever donate a dollar to the cause of charity or help take care of the needy in Earlington? When the death angel hovers over your home and one of your children is called, do the out-of-town merchants ever offer any assistance, or follow the little form to its last resting place. No, it is your own home merchant who comes to the front and in an humble way renders what assistance he can, it is your home merchant who sells you what you need, on a credit and waits patiently for the pay when you are in hard luck or work is slack. How much credit could you get from the out-of-town merchant? If you were in destitute circumstances and your children were crying for bread you could not get a dollars worth of flour from the men outside of Earlington with whom you have been spending your money.

THE CHEERFUL CHERUB

I sing in praise of
common things,
They may not have
much spice,
But though they pall
at least they
make
Uncommon
things seem
nice.

The fact is but little is ever made by going away from home to trade and oftener counting all expenses there is a loss that can never be replaced. The dollar once sent out of Earlington is forever gone and no community can expect to be prosperous where the people do not trade at home. You make your money in Earlington why not spend it in Earlington where it will be kept in circulation and eventually come back to you. The same dollar that buys a load of coal will be spent by the coal man for drygoods and by the drygoods man for groceries and by the groceryman for meat and by the meat man for repairing a fence and so will continue a ceaseless round of activity in the community. Just now while other things are working adversely to the interests of the city, every man in town should join the Boosters Club, put his shoulder to the wheel and push hard for the prosperity of Earlington, and one of the most essential things we can do is to begin now and spend all our money at HOME.

A Clogged System Needs Attention

If you wish to wake up to-morrow morning happy in mind and entirely satisfied, start your treatment to-night. 25c a bottle.

Paxtine

A Soluble Antiseptic Powder to be dissolved in water as needed
For Douches

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties.
For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists, big, large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.

IS YOUR STOMACH WRONG?

Sooner or later you will be wrong in every organ of your body. It is a well-known fact that over ninety-five per cent. of all sickness is caused by ailments of the digestive organs. If you have the slightest suspicion that your stomach requires treatment, don't delay a moment. Little ills soon grow into serious ills.

Dr. Pierce's Golden Medical Discovery gets to work immediately at the seat of your trouble—the stomach. It lends a helping hand. Helps to digest the food. Tones up the stomach. Soon brings back normal conditions. Food is properly assimilated and turned into rich, red blood. Every organ is strengthened and every tissue re-vitalized.

The same good blood will cause pimples, acne, eczema and skin eruptions to dry up and disappear. It's an alternative tonic and body builder.

This tonic is a glyceric extract from roots taken from our great American forests. Try this remedy now. Sold by medicine dealers in liquid or tablet form—or send 50 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial box.

Covington, Ky.—"My parents in Norwood recommended me to use Dr. Pierce's Pleasant Pellets. I used them when troubled with headache and biliousness. I found they are just as advertised. They are fine and did just what I expected. I depend on them and consider them the best medicine of the kind I have ever used."—MR. JOSEPH BURGER, 1214 Wheeler St.

NOW HER FRIENDS HARDLY KNOW HER

But This Does Not Bother Mrs. Burton, Under the Circumstances.

Houston, Texas.—In an interesting letter from this city, Mrs. S. C. Burton writes as follows: "I think it is my duty to tell you what your medicine, Cardui, the woman's tonic, has done for me.

I was down sick with womanly trouble, and my mother advised several different treatments, but they didn't seem to do me any good. I lingered along for three or four months, and for three weeks, I was in bed, so sick I couldn't bear for any one to walk across the floor.

My husband advised me to try Cardui, the woman's tonic. I have taken two bottles of Cardui, am feeling fine, gained 15 pounds and do all of my housework. Friends hardly know me, I am so well."

If you suffer from any of the ailments so common to women, don't allow the trouble to become chronic. Begin taking Cardui to-day. It is purely vegetable, its ingredients acting in a gentle, natural way on the weakened womanly constitution. You run no risk in trying Cardui. It has been helping weak women back to health and strength for more than 50 years. It will help you. At all dealers.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Pleasant Pellets," sent in plain wrapper. 50c.

THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

UGH! ACID STOMACH, SOURNESS, HEARTBURN GAS OR INDIGESTION

The moment "Pape's Diapepsin" reaches the stomach all distress goes

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of "Pape's Diapepsin" from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorders.

Hon. Lee Gibson returned home from the lower counties this week after campaigning in the interest of the Democratic ticket. He reports everything to be in first class condition and the signs favorable for the largest democratic majority in many years.

If there had come news a year and a half ago—that 80,000 Armenians had been butchered by the Turks, what would have been the feelings of Americans and the rest of the civilized world?

We can imagine the outbreak of indignation; the mass meetings of protest; the denunciation of press and pulpit, culminating in the movement of Christian powers to end the slaughter.

Today the story comes and we receive it with but feebly responding anger and a sense of hopeless impotency.

A year of weltering in blood has numbed our sensibilities. Horror piled on horror has left us without spirit to react. We accept this terrible news with a despairing surrender to the inevitable.

Is it not a tragic comment on the effect of Europe's war? Is it not proof that we have suffered spiritually, if not materially and physically, from the ceaseless sound of the cannon and the unpassing picture of the dead and maimed?

But the most tragic phase of the situation is our feeling that the crime must go on; that we can do nothing to prevent it; that the pitiful protest of Washington is a vain and empty thing in the face of this nightmare of cruelty and blood lust. God help the civilization that is powerless before such dastard deeds as those that blackened Belgium, raped Poland and made of Armenia a pool of innocent blood.—Chicago Evening Post.

Edison Tells How to Prepare for War

Thomas A. Edison is quoted as saying in Chicago that the soldier of the future will be a machinist and that as present wars are waged with machines United States can depend on volunteer army if country is great number of officers trained and ready for service. Mr. Edison advocated for this country construction of great factories capable of manufacturing twice as much munitions as is now being used in European war. He would not make up gun powder but would store up necessary materials so that everything would be ready to manufacture within 48 hours. He says America, instead of making shells on lathes, should get up shell machines, store them away with a great quantity of shell bullets ready to be worked up on short notice. He added: "America is a machine nation; its battle preparation should be with machinery. The standing army is not worth anything unless it is on a war footing which is absurd." He said that Navy Advisory Board is enmeshed with ideas and that every one from bank presidents to messenger boys are sending them in. Mr. Edison summed up his remarks with the statement that potential preparation is the thing and it should be on right about speedily.

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

If cross, feverish, sick, bilious clean little liver and bowels

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

For Indigestion

Never take pepain and preparations containing pepain or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions carefully. Obtainable everywhere.
